SAFETY TOWNHALL RECAP

BIG WIN! SFMTA PROVIDES 12 HOURS OF SERVICE ON NEW 36/52 ROUTE

MPIC

Message from Jacob Bintliff, Supervisor Mandelman's Office District 8: The Route 36/52 will start service on Saturday, May 15th. The loop will run in both directions with 30 minute headways between buses, between 10:00am - 6:00pm. The buses will also run from 8:00am - 10:00 am and 6:00pm - 8:30pm clockwise (southbound on Diamond Heights) with a 1-hour headway.

San Francisco MTA (MUNI) has restarted bus service to Miraloma Park. The new route is a combination of former Routes 36 and 52. MTA offered Miraloma Park 8 hours of service. Residents were asked for suggested start times. Miraloma Park Community Connectors leads Darlene Ramlose and Barbara Wheeler conducted an outreach and poll with their Senior members. Neighbors were asked to email SFMTA, and the MTA Board with their suggestions. MPIC worked with staff in Supervisor Melgar's Office to transmit responses and let them know that the original 8 hours of service was not acceptable. Seniors, and working families needed at least 10 hours of service. MPIC was notified by Supervisor Melgar's Office that SFMTA is listening to your suggestions and requests. The service will now operate from 8:00am to 8:30 pm. Thanks to each of you who wrote, emailed and called to voice your concerns. This is a big win for our community.

Thanks to each of you who wrote, emailed and called to voice your concerns. This is a big win for our community.

MIRALOMA ELEMENTARY THROUGH THE YEARS

MPIC

Pictured is a photo of Miraloma Elementary's 1946 second grade class. The young girl in the top row, far right is Miraloma Park's Jeanne Davis Mackenzie. Jeanne attended Miraloma Elementary from kindergarten through fourth

grade. Look closely at the wood structure behind the students. Miraloma Elementary, which opened in 1940, consisted of temporary, wooden buildings. The children had to go outside to the bathrooms and the wooden buildings were heated with wood-burning stoves. According to Jeanne, being called into the Principal's office was not a bad thing, because it was always so warm – it was warmer than the classrooms!

In 1952 the students began attending school at the current structure. Both parents of children living in Miraloma Park and the Improvement Club were instrumental in making the new structure a reality. Miraloma Park Resident

Kevin Fong recounted some of his Miraloma Elementary memories in his article, "Miraloma Elementary – "Flash Back to the 60's", which was in the March 2021 issue of Miraloma Life. (<https://miralomapark.org/news/miraloma-life-mar2021/>). Today, Miraloma Elementary students attend a much different school than Jeanne and even Kevin, did.

Students now use books and computers in class. School desks have given way to tables. Since the pandemic, students have received online instruction. And this year students and teachers wear masks and maintain distances while at school.

One thing that hasn't changed in 75 years –students still like recess and lunchtime!

MPIC thanks Jeanne Davis Mackenzie for sharing her second-grade class photo. Jeanne still lives in Miraloma Park in the home that her father, Stanley Davis, designed. Stanley Davis was a prominent architect who also designed and built the church on the corner of Teresita and Arroyo Way. Thanks also to Kevin Fong for his "Flash Back to the '60's." Miraloma Elementary School Principal Noah Ingber supplied photos of school activities in 2021. Thanks also to Miraloma Park resident and historian Jacquie Proctor for information about the school. To learn more about the history of Miraloma Elementary visit Jacquie's website: <https://mtdavidson.org/miraloma-elementary-school/>.

PRESIDENT'S MESSAGE

Patti Moran

Welcome Miraloma to June 2021. After this issue, Miraloma Life goes on the planned summer printing sabbatical and returns for the September issue. We print 10 issues a year, and thanks to your donations this past year, we are hopeful we will be able to meet this goal.

Muni news – you have been heard!

Back in April, MPIC asked for input from the Miraloma community of Muni riders on the MTA proposal for the proposed combination of the 36/52 bus lines and hours of availability. The emails, inputs and messages were received. Thanks to Supervisor's Melgar's office for letting MPIC know that MTA has agreed to resume service with the times expanded from the original proposal. Your input was heard! Service began on May 15th. Thank you to those who shared your perspectives and the needs for a bus line through Miraloma.

MPIC Monthly Board Meetings

On the first Thursday of each month (no meetings July or August) the MPIC Board meets to discuss matters brought to the Club by the community, updates from the government liaison's work with Supervisor Melgar/District 7, issues of coordination with SFPD, SFFD, the Office of SF District Attorney and other City agencies, and coordination with other SF community groups. In our May 3rd meeting, we had a packed agenda, including several items of new business:

- Discussion on Recent Motion by SF Planning Commission re: removal of conditional use provisions related to retail space (You can review the letter MPIC sent regarding this matter at <https://miralomapark.org/about/club-correspondence/>)
- COVID instructions for the Clubhouse/Reopening Discussion
- Submission by Resilient Miraloma to submit a 2021 community grant initiative for no more than \$25,000 to the D7 Supervisor Melgar's Office. Motion: Shall MPIC support the Emergency Radio Operators by applying for a grant to purchase and issue a solar generator and solar panels to each Emergency Radio Operator?
- Summary of community feedback to Supervisor Melgar's office regarding the proposed Muni line 36/52 and times of operation
- Selling Miraloma Life advertising to various entities inside and outside of Miraloma

In addition to new business items, there were MPIC officer updates from the following: MPIC President (that's me for May and June!), Vice President (Stephanie Boudreau Ma) and Treasurer (Robert Gee transitioning to Mary

Fitzpatrick). Then we followed with 10 MPIC Committee updates and 1 Delegate Update. They include:

- Clubhouse
- Advertising
- Safety
- ZAP (Zone and Permitting)
- NERT (Neighborhood Emergency Response Team)
- Community Connectors
- Government Affairs Coordinator
- West of Twin Peaks & Coalition for San Francisco Neighborhoods (Delegate Report)
- Publicity
- Resilient Miraloma Park
- Membership

Any questions? Please do reach out to miralomapark@gmail.com and we are happy to address them regarding the Board meetings, or see below on how to join in.

As of the writing of this letter (May 12), our global community continues to battle surges of the COVID pandemic. I wish good health and relief to all those tirelessly fighting for our safety and well-being here in the US and around the globe. And especially to all the resources, agencies, healthcare workers, and non-profits here in SF who have not stopped since March 2020 (or before) – we thank you and appreciate you.

President's notes:

The MPIC board meets the first Thursday of each month at 7:00pm and is open to all members to attend. There are no meetings in the months of July and August. Currently we are meeting on Zoom. If you are interested in attending a meeting or if you would like to bring an issue before the board, please email miralomapark@gmail.com for instructions on joining a meeting or getting your issue placed on the agenda. Along with our website www.miralomapark.org we are now on Instagram at [@miralomapark](https://www.instagram.com/miralomapark). If you don't have or want your own Instagram account, you are welcome to submit photos to miralomapark@gmail.com. Looking forward to your take on the neighborhood!

LOOKING FOR A REASON TO CELEBRATE?

Mia Waller

Looking to celebrate a special occasion? Need space to accommodate more guests than your living room can? Look no further than the MPIC's charming, historic clubhouse! Built in the late 1930s by the Meyer Brothers, specifically for the Miraloma Park Improvement Club, the clubhouse has been host to a multitude of private events over the years- birthdays, anniversaries, baby showers, all types of receptions, fundraisers, presentations, and even a few high school proms.

The clubhouse boasts off-street parking, a gas fireplace in the main hall, a raised stage with footlights and piano, and a catering kitchen to meet your food service needs. Amenities include 6' tables, chairs, a projector and screen, and cloak room. While the clubhouse is available for public rental (tell your friends!), MPIC members receive a discounted rate for weekend events.

For further information, check out the clubhouse page of our website: miralomapark.org/clubhouse, or email miralomapark@gmail.com to request a tour of the clubhouse.

We hope you consider renting our clubhouse, a neighborhood treasure, in the weeks and months to come

Cheers,

Mia Waller

SECOND SATURDAYS CLUBHOUSE CLEAN UPS CONTINUE

MPIC

MPIC thanks all who have volunteered on Second Saturdays, the Clubhouse maintenance day. During the May Second Saturday, neighbors Aidan Baird and Tazi Coffee joined MPIC Board Members Todd Siemers and Robert Gee. They focused on cleaning the Clubhouse grounds. MPIC offers a special thank-you to Aidan. This was the fourth Second Saturday that he volunteered!

Second Saturday clean-up days will continue during the summer months. Future Second Saturdays take place on June 12, July 10, and August 14, from 10:00am to 12 noon. An MPIC Board Member leads each event. It's your opportunity to meet neighbors and clean up the Clubhouse! Sign up here: <https://www.signupgenius.com/go/10C0D48A9A82DA2FB6-mpic>. If you have difficulty signing up and want to join a Second Saturday, send an email to miralomapark@gmail.com or leave a message at 415-322-0211.

Clubhouse grounds looking good thanks to the neighbors volunteering a Saturday morning - thank you Aidan Baird, Tazi Coffee, Todd Siemers and Robert Gee.

After you sign up for the date you want to work, you'll receive a reminder email which may contain additional information, such as "bring gardening gloves." You'll also receive an email if the workday is cancelled due to rain or other necessity.

During Second Saturdays, an MPIC Board member leads a team of 6 neighbor volunteers to work at the Clubhouse.

The tasks focus on cleaning the grounds (e.g., raking leaves, pruning bushes, sweeping up pine needles, removing weeds, etc.) and keeping the Clubhouse in order (e.g., sweeping the Clubhouse steps, etc.) Volunteers should wear a mask; COVID-19 precautions are followed while working.

The May Second Saturday crew cleaned the landscaped area along the path and put down new mulch. (above)

RENOVATE NOW. SELL FOR MORE. PAY AT CLOSING.

Introducing **Aethos Revive!** Now we can front the costs to upgrade, spruce, stage your home for sale in advance and you pay at close of escrow. We can also offer, with our partners, to buy your house upfront, giving you the funds to buy your new house, then turn around and sell your place for full market value. SAN FRANCISCO'S UNIQUE NEIGHBORHOOD COMMERCIAL DISTRICTS UNDER THREAT

MPIC Zoning and Planning Committee

In 2007, San Francisco voters passed Proposition G, which requires Conditional Use Authorization for all formula retail establishments within all Neighborhood Commercial Districts—such as West Portal—in an effort to "protect San Francisco's vibrant small business sector and create a supportive environment for new small business innovations." [<https://sfplanning.org/project/policy-basis-formula-retail-chain-stores>]. Applications for Conditional Use Authorization require a Planning Commission hearing at which members of the community can voice their views on the proposed changes to the commercial area in question. (See <https://sfplanning.org/permit/chain-stores-businesses> for full definition.)

San Francisco is a city of diverse and distinct neighborhoods identified in large part by the character of their commercial areas. One of the eight Priority Policies of the City's General Plan resolves that "existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced." Retail uses are the land uses most critical to the success of the City's commercial districts. Formula Retail businesses are increasing in number in San Francisco, as they are in cities and towns across the country. San Francisco is one of a very few major urban centers in the State in which housing, shops, work places, schools, parks and civic facilities intimately co-exist to create strong identifiable neighborhoods. The neighborhood streets invite walking and bicycling and the City's mix of architecture contributes to a strong sense of neighborhood community within the larger City community. Notwithstanding the marketability of a retailer's goods or services or the visual attractiveness of the storefront, the standardized architecture, color schemes, decor and signage of many Formula Retail businesses can detract from the distinctive character and aesthetics of certain Neighborhood Commercial Districts...

[https://codelibrary.amlegal.com/codes/san_francisco/latest/sf_planning/0-0-0-48475]

Formula retail businesses, or "chain stores," are defined in the Planning Code as businesses that have 11 or more stores worldwide having certain identical features. [<https://sfplanning.org/project/policy-basis-formula-retail-chain-stores>]

COMMUNITY CONNECTORS UPDATE AND TEA PARTY!

Darlene Ramlose

Hello and Happy Summer, Miraloma Community Connectors! Here's what's happening for our Connectors:

After a long hiatus, we will be opening up for exercise at Cornerstone in the church parking lot, then eventually the church facility. We hope by the time you read this we will have notified you of the dates.

TEA PARTY IN JULY - RSVP TODAY!

I'm very excited to let you know I have rescheduled our Tea Party for **July 28, 2021, from 3:00 PM to 5:00 PM.**

We hope to see you there. Due to space availability you must make a reservation. **DON'T WAIT.** It will fill up fast. Please email Darlene at dramlose@aol.com and state your name, email and phone number. I will see that you receive confirmation of your reservation.

I really appreciate the responses from our group regarding the bus situation. You have been heard!

Our walking group is still going great and is on the move. We encourage you to join in! It is good for your health, and also for your mind.

If you are lonely, or suffering with a hardship we want to make sure that we are here to help. Just ask.

For more information on the Community Connectors Program contact Darlene Ramlose at Darlene@sfcommunityliving.org by phone at 714 423-8844.

OMAR WAY REMINDER

As Miraloma Elementary School reopens, and parents begin dropping off and picking up their children, there is continued confusion about the one way system in place due to incomplete signage. Omar Way is a one-way street only during specific hours of the day. Those hours are **7:00am - 9:00am, and 10:30am to 2:30pm**. At all other times of the day, Omar Way is a two way street. Not all the one way signs show the "only" portion of the directive. We are hoping 311 will post clearer signage at all intersections shortly

MPIC FINANCIAL SNAPSHOT

MPIC Financial Committee

Thank you Miralomans!! Back in January 2021, the MPIC President asked for your help to mitigate the economic impacts of COVID-19 on the club's incoming revenue so we could continue publishing the Miraloma Life newsletter without interruption, maintain the basic needs of the clubhouse, and continue to stay on top of important neighborhood issues. And you responded! Donations, new memberships, and renewals are all up, beyond our expectations!

We are so grateful you showed that you value MPIC's work by responding to those requests. We continue to regularly post financial information to the MPIC Website. Now we plan to provide periodic financial highlights - summary of the high level income and expenses for your reading pleasure - in this newsletter. Below is a summary of MPIC's 2021 budget, approved in January, along with a financial summary for the 1st quarter.

MPIC BUDGET SUMMARY 2021

Income and Source of Funds

Memberships	\$12,021
Advertising	\$4,312
Total Income & Sources	\$16,333

Expenses and Use of Funds

Clubhouse Operations Total	\$2,569
Insurance and Taxes	\$7,926
SBA Economic Injury Disaster Loan 1st Repayment	\$728
Administration and Office Expenses	\$1,478
Total Newsletter Expenses	\$11,951
Total Expenses and Uses	\$24,652

Project Deficit - Use of SB Loan to Cover (\$8,319)

In January, not knowing when or if "normal" activities could resume, we assumed very limited incomes for 2021. MPIC reduced expenses wherever possible. Continuing to publish this Newsletter was always a key priority! Fortunately, MPIC received an SBA Economic Injury Loan to help cover losses due to the Covid shutdown. As needed, we'll use that loan to meet 2021 expenses, especially the Newsletter. Now, due to your generous donations and increased memberships we might not need to use so much of the loan. Receiving over \$1,700

in Newsletter donations, \$3,409 in other donations, and almost \$8,900 in membership dues by March greatly improves our financial position. Again, thank you!

MPIC FINANCIAL ACTIVITY

JANUARY TO MARCH 2021 - 1ST QUARTER

Clubhouse Rent	\$ 0
Memberships	\$8,880
Advertising	\$2,145
Donations - Newsletter	\$1,891
Donations - General and Capital	\$3,359
In-Kind Donations	\$1,278

Total Income & Sources \$17,553

Expenses and Use of Funds

Clubhouse Operations Total	\$1,533
Insurance and Taxes	\$0
Administration and Office Expenses	\$362
Total Newsletter Expenses	\$3,585

Total Expenses and Uses \$5,480

Income - (Expense) \$12,073

We look forward to your continued support for this Newsletter and all the work your support does to help MPIC advocate and do good work in Miraloma Park.

San Francisco's Unique Commercial Neighborhoods Commercial Districts Under Threat...

At its April 22, 2021 meeting, the Planning Commission, with 3 dissenting votes, passed a measure* with the potential to eliminate protections of neighborhood commercial districts by changing the Planning Code "to delete conditional use findings related to formula retail concentrations in certain districts"—and thus in effect, overriding the will of the voters. The measure was submitted to the Board of Supervisors by the Office of the Mayor and is titled, presumably without intended irony, "The Small Business Recovery Act." The measure now moves through the Board of Supervisors for approval. Despite its somewhat obscure language, we understand the purpose of this measure to be to permit formula retail in Neighborhood Commercial Districts.

So, to preserve citizens' voices in determining the future of San Francisco's Neighborhood Commercial Districts and in an effort to preserve the unique respective characters of these Districts, the MPIC Board urged District 7 Supervisor Melgar, with Ccs to the full Board "to preserve Planning Code Sec.303.1 without change and thus to continue to require formula businesses to be non-permitted in Neighborhood Commercial Districts unless granted Conditional Use Authorization.

The MPIC's letter is posted on the MiralomaPark.org website: <https://miralomapark.org/about/club-correspondence/>

*9. 2021-002933PCA

SIMPLIFY RESTRICTIONS ON SMALL BUSINESSES

[BOARD FILE NO. 210285] – Adoption of Planning Code Amendments to 1) delete separate definitions of "Cat Boarding," "Gym," "Trade Shop," and "Services, Instructional"; 2) allow permitted conditional uses to continue after three years of abandonment; 3) allow the continuation of longstanding places of entertainment without requiring a permit; 4) allow outdoor activity areas on rooftops; 5) temporarily require a conditional use authorization for uses replacing Nighttime Entertainment uses; 6) allow accessory Catering uses in Restaurants; 7) allow accessory dwelling units on the ground floor in Neighborhood Commercial, Chinatown Business, and Chinatown Visitor districts; 8) allow temporary outdoor entertainment, arts and recreation activities; 9) delete certain conditional use finding requirements for nighttime entertainment use; 10) delete conditional use findings related to formula retail concentrations in certain districts...

SAFETY TOWN HALL RECAP

MPIC Safety Committee

Thank you to Debra Estrin, chair of the MPIC Safety Committee who moderated our May 11 Safety Town Hall. Over 35 neighbors attended this Zoom question and answer meeting, with Captain Nicole Jones of SFPD Ingleside Station and with A.D.A. Evanthia Pappas, liaison to District 7 from the District Attorney's Office.

Captain Jones introduced herself and told us about her background. She listed her priorities: public safety with violent crime first and foremost, followed by property crime and quality of life issues. Her top goal is strengthening the relationship between the PD and the community, stressing the PD is part of the community, not "other than" community. The station is also looking forward to a return to hosting public events as the Covid restrictions continue to be lifted.

Ms. Pappas from the DA's office also introduced herself. Being an expert in domestic violence and human trafficking, she is involved in training at the Police Academy for domestic violence cases, and looking forward to getting back into the community to work face-to-face.

Some of the takeaways from the question and answer period are:

- There will not be an increased police presence in Miraloma Park or elsewhere in District 7 due to funding/budget restrictions.
- Both the police and the DA's office are working with merchants to provide tools to report crimes as citizens, relying on store videos and personal experience with repeat offenders.
- California Senate Bill 82, if passed, will change the way property theft is charged, and will possibly tie the hands of local prosecutors. For more information, see: https://leginfo.ca.gov/faces/billNavClient.xhtml?bill_id=20210220SB82
- If there is Hot Prowl burglary on your property, a burglary that occurs while someone is home:
 1. Call 911 first, and if you know whether or not the burglar has a weapon, please tell the dispatcher.
 2. Try to remove yourself from the situation, whether by going outside or barricading yourself in a safer place.
 3. Only in life threatening situations should you resort to physical methods to defend yourself.
- Mental Crisis Situations: At present District 7 does not have a dedicated mental health crisis team. If there is a situation you feel merits immediate

attention, please call 311, the Homeless Outreach Team (HOT) at 415-355-7401 or the Mobile Crisis team at 415-970-4000.

- Concerns about elder abuse or cognitively impaired neighbors who may need help: Contact Adult Protective Services, or call the non-emergency number of the Ingleside Station (always listed on the back page of Miraloma Life) to request a welfare check.
- Homeless encampments should be reported as soon as possible to 311.
- Mitigating property crimes: Captain Jones thanks all neighbors who have installed video cameras and nighttime lighting, and encourages the rest of us to do so. Video is often the best evidence officers have when a break-in occurs. Please report all crimes to the police first, before posting to NextDoor.com.
- And as always, if you see something, say something. Captain Jones stressed that crimes happen during all hours of the day and night.
- ADA Pappas stressed supporting victims of domestic violence by encouraging them to report abuse to the DA's office, and if necessary, going with them.

Article Submission Policy:

Email submissions to: miralomapark@gmail.com
with **Miraloma Life** in the subject line.

Articles submitted must be 800 words or less in length and should not be selling or promoting a product or service. Anonymous submissions will not be considered for publication.

Deadline for submissions is August 12, 2021

Submitted articles become the property of MPIC.
