Miraloma Park Improvement Club

May 3, 2019

Board President Yee,

On behalf of the entire board of the Miraloma Park Improvement Club and its members we'd like to express our sincerest appreciation for once again sponsoring the District 7 Participatory Budgeting Process. This progressive, inclusive and transparent budgeting process has had an incredible impact on our community beyond the important projects that we have secured funding for over the last six years.

We'd also like to express our appreciation for Erica Maybaum who works tirelessly to support the implementation of the projects which often required the coordination of multiple agencies.

Your continuing support for this form of budgeting is admirable, especially in light of the shrinking number of Supervisors who offer a similar opportunity to their constituents. The residents of Miraloma Park are safer, happier and more connected as a result of your leadership.

Sincerely,

Joanie van Rijn

President
