It's safe, effective, and free! Vaccination is the most important tool to end the COVID-19 pandemic. Every Californian 12 and up is now eligible for vaccination. Pfizer's COVID-19 vaccine is authorized by the FDA for those aged 12-15. It was found to be safe and effective in protecting children as young as 12 in clinical trials. If you are under 18, you will need a parent or guardian to come with you to get your vaccine.
