### **Have You Completed the Census? Time Is Running Out!**

As of today, only 65% of San Franciscans have completed the U.S. Census. You can complete the census online or by phone in 13 different languages: English, Spanish, [Chinese](#), [Vietnamese](#), [Korean](#), [Russian](#), [Arabic](#), [Tagalog](#), [Polish](#), [French](#), [Haitian Creole](#), [Portuguese](#), and [Japanese](#). It won't take long to complete the census form:

**Online: [my2020census.gov](https://my2020census.gov)**  
**By Phone: 844-330-2020 (English)**

The census provides critical data that lawmakers, business owners, teachers, and many others use to provide daily services, products, and support for you and your community. Every year, billions of dollars in federal funding go to hospitals, fire departments, schools, roads, and other resources based on census data. The results of the census also determine the number of seats each state will have in the U.S. House of Representatives, and they are used to draw congressional and state legislative districts.
