

### **SAN FRANCISCO STATE UNIVERSITY VACCINE SCHOLARSHIP PROGRAM!**

The San Francisco Department of Public Health (DPH) is partnering with San Francisco State University (SFSU) and the San Francisco Unified School District to offer a [scholarship program](#) for SF residents ages 12 to 17 who received the COVID-19 vaccine.

Through a drawing, SFSU is offering 10 scholarships to fully fund four years of undergraduate tuition for eligible youth who register at participating vaccination locations in San Francisco, which include:

- **Monday, Oct. 25**, 1 p.m. to 4 p.m. — Visitation Valley Neighborhood Vaccination Site, 1099 Sunnysdale Ave., San Francisco, CA 94134
- **Tuesday, Oct. 26**, 3:30 p.m. to 6 p.m. — Malcolm X Academy School, 350 Harbor Rd., San Francisco, CA 94124
- **Wednesday, Oct. 27**, 2:30 p.m. to 5 p.m. — Balboa High School, 1000 Cayuga Ave., San Francisco, CA 94112
- **Friday, Oct. 29**, 4 p.m. to 6 p.m. — Ella Hill Hutch Community Center, 1050 McAllister St., San Francisco, CA 94115
- **Tuesday, Nov. 2**, 12 p.m. to 4 p.m. — Mission District Neighborhood Vaccination Site, 24th St. and Capp St., San Francisco, CA 94110
- **Saturday, Nov. 13**, 10:30 a.m. to 1:30 p.m. — McCoppin Elementary School, 651 6th Ave., San Francisco, CA 94118

### **BE CAUTIOUS WITH HALLOWEEN ACTIVITIES + EVENTS!**

The San Francisco DPH is reminding all who will be partaking in pre-Halloween merriment to do so safely, and with caution, to prevent the spread of COVID-19. Here are some not-so-spooky safety reminders from DPH:

- Outdoor activities, such as trick-or-treating, are much safer than indoor activities
- Wash your hands before and after Halloween activities
- Bring hand sanitizer while trick-or-treating
- Limit outdoor crowds especially for unvaccinated children
- Monitor your health and stay home if you feel sick
- Continue to make safer choices; consider wearing a mask in private indoor settings, especially where the vaccination status of those present is unknown

### **GET YOUR FLU SHOT!**

The San Francisco DPH strongly recommends that everyone ages six months and older [get a flu vaccine](#) to safeguard their health, as November brings the start of flu season that will overlap with COVID-19 this year. With influenza season beginning in November, San Franciscans should add a flu vaccine on top of their COVID-19 vaccine or booster, if eligible, for a safer and healthier holiday season.
